About Barbara & Mel Coker

We live in Chapin, South Carolina on beautiful Lake Murray. We love to travel, especially to our vacation home in Surfside Beach, but, also to Mexico (Isla Mujeres & Playa del Carmen), other Caribbean island locations and epic road trips designed by Mel.

Barbara is a retired School District employee and is now working part-time with the school district. Mel retired in late 2017 and loves planning new travel. Barbara and Mel have one daughter and she is an elementary physical education teacher in Columbia.

Our Surfside Beach vacation home was purchased in July 2010. We love the location, the beach and taking long walks and bike rides. Barbara's parents owned a vacation home in Surfside Beach (nearby at 3rd North and Oak) for many years. Barbara made numerous trips to the beach from Columbia in her teens. Their beach home was named "Hi-Ann" for Barbara's paternal grandparents Hiram and Annie Lou. Barbara chose to name our beach home "Hi-Ev" in memory of her parents, Hiram and Evelyn Allen.

Grand Strand Beaches

60 Miles of Wide Soft Sandy Beaches make up the Grand Strand.

It's 60+ miles of an uninterrupted arc of beach, beginning around Little River, South Carolina and terminating at Winyah Bay near Georgetown.

Surfside Beach, almost in the middle of the Grand Strand, is known as "The Family Beach." *Travel Channel* has named Myrtle Beach and the Grand Strand one of the best beaches on the East Coast.

Reminders & Tips

Our Home

Turn on water heater upon arrival (breaker box is in 1st floor bedroom behind door)

Place all food waste in trash bags, close securely and place in trash bin outside

Prior to leaving set temps on both thermostats as follows: summer: 82 degrees; winter: 60 degrees

As much as possible, remove sand from feet, etc at outside shower prior to entering home from beach

If using washing machine, be sure to turn on faucets behind machine – flip both faucets to the right

Mail keys back to Barbara Coker for return of security and key deposits

Driving in the area

Please drive carefully, watch for golf cart drivers, wear your seat belt

Surfside Beach Police do a wonderful job of speed enforcement, so watch your speed

The Beach

Wear sunscreen; wear lip protection; wear a cap or hat – don't get sunburned on your vacation!

During certain times of the year, jellyfish may be present – pay attention while walking on the beach

Be aware of strong ocean currents or riptides

Weather

I have a weather page on my website with really good local weather links and storm links:
